SECTION I

INTRODUCTION & DESCRIPTION OF DELEGATE SELECTION PROCESS

A. INTRODUCTION

1. This Virginia Delegate Selection Plan for the 2008 Democratic National Convention (“Delegate Selection Plan”) provides the procedure for the selection of delegates and alternates from Virginia who will participate in the 2008 National Democratic Convention.
2. Pursuant to the Democratic National Committee’s (“DNC”) Call to Convention, Virginia has a total of 72 delegates and 14 alternates, in addition to 11 pledged party leaders and elected officials, two unpledged add-on delegates, and 18 unpledged party leader and elected officials, for a total delegation of 103 delegates and 14 alternates. (Call, I. & Appendix B.)
3. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2008 Democratic National Convention (“Rules”), the Call for the 2008 Democratic National Convention (“Call”), the Regulations of the Rules and Bylaws Committee for the 2008 Democratic National Convention (“Regs.”), Democratic Party of Virginia Party Plan (“Party Plan”), the Virginia election code, and this Delegate Selection Plan. (Call, II.A.)
4. Following the adoption of this Delegate Selection Plan by the State Party Committee, it shall be submitted for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document, including those required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (Regs. 2.5, 2.6 & 2.7)
5. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party will be submitted to and approved by the RBC before it becomes effective. (Reg. 2.9)

B. DESCRIPTION OF DELEGATE SELECTION PROCESS

1. Virginia will use a proportional representation system based on the results of a Presidential preference Primary for apportioning delegates to the 2008 Democratic National Convention.
2. The “first determining step” of Virginia’s delegate selection process will occur on February 12, 2008, with the holding of a “Presidential Preference Primary.” The primary results will be used to allocate National Convention delegates.
3. The delegates and alternates to the National Convention shall be elected through a caucus/convention process. The primary results shall be used to allocate delegates who will be elected at county and city caucuses, held on April 19, 2008, beginning at 12:00 noon, or April 21, 2008, beginning at 7:30 p.m., or county or city conventions held before April 26, 2008. These delegates shall attend congressional district conventions, held on May 10, 17 or 24, 2008, and elect district-level National Convention delegates and alternates and conduct other business. The same delegates shall attend a State Convention, to be held on June 14, 2008 to elect at-large and Party Leader and Elected Official delegates and alternates and conduct other business.

4. The district and State Convention delegates and alternates elected in county and city caucuses (or conventions) shall be allocated according to the Presidential Preference Primary. Pursuant to DNC rules, the 15% threshold shall apply to the election of National Convention delegates and alternates elected at the district and State Conventions. District and State Convention delegates who do not form a candidate caucus that reaches a 15% threshold at the district or state level (“non-viable candidate caucus”) may join another candidate caucus and pledge to that candidate. After joining another candidate caucus, however, the delegates shall remain committed to that candidate throughout the process.
5. If a presidential candidate withdraws from the campaign and releases his or her delegates after the primary, but prior to National Convention delegate selection, that candidate shall still be awarded delegates and alternates elected at the district level. At the state level, however, if a presidential candidate is no longer a candidate at the time of selection of the at-large delegates and alternates, then those at-large slots that would have been allocated to the candidate will be proportionally divided among the remaining preferences entitled to an allocation.
6. Voter Participation in Process
 - a. Participation in Virginia’s delegate selection process is open to all voters who wish to participate as Democrats.
 - b. Pursuant to the Code of Virginia, Section 24.2-531, voters in the February 12, 2008 Presidential Preference Primary will publicly declare their Party preference and that preference will be publicly recorded through the maintenance of separate poll books for each party. (Rules 2.A. & 2.C. & Reg. 4.3.)
 - c. Any person is eligible to participate in county and city caucuses and conventions who is a member of the Democratic Party of Virginia, as defined in Party Plan Article 2, and who is a resident voter in the jurisdiction in which that caucus or convention is held.
 - d. Virginia does not provide for registration by party. The deadline to register to vote for participation in the February 12, 2008 primary is January 14, 2008.
 - e. At no stage of Virginia’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. Specifically, pursuant to Party Plan Section 14.4, “[a] voluntary administrative fee may be requested for participation in any convention. However, no party member shall be excluded from participation in a convention because of not paying a fee. Any Democrat who desires to participate in a convention but who chooses not to pay the requested fee shall be permitted to participate.” (Rule 2.D. & Reg. 4.4.)
 - f. No persons shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding elections. (Rule 2.E.)
 - g. No person shall vote in more than one meeting which is the first meeting in the delegate selection process. (Rule 3.E. & Reg. 4.6.)

7. The Virginia Democratic Party is participating in the state government-run presidential preference primary that will utilize government-run voting systems. The State Party has taken or will take provable positive steps to:
 - a. Promote the acquisition of accessible precinct-based optical scan systems, wherever possible. (Rule 2.H.(1))
 - b. Seek enactment of legislation, rules, and policies at the state and local level to ensure that direct recording electronic systems include a voter-verified paper trail. (Rule 2.H.(2))
 - c. Seek enactment of legislation, rules, and policies at the state and local level to ensure that both optical scan and direct recording electronic systems include recognized security measures. These measures include automatic routine manual audits comparing paper records to electronic records following every election and prior to certification of results where possible; parallel testing on election day; physical and electronic security for equipment; banning use of wireless components and connections; public disclosure of software design; use of transparent and random selection for all auditing procedures; and effective procedures for addressing evidence of fraud or error. (Rule 2.H.(3))
 - d. Include public endorsement of such legislation; educate the public on the need for such legislation; and encourage consideration of such legislation by the appropriate executive and legislative bodies.
 - e. Specifically, Virginia recently enacted a ban on purchase of new direct record electronic voting machines as of July 1, 2007. The Virginia State Central Committee May 2007 meeting will consider a resolution addressing additional issues concerning electronic voting.

SECTION II

PRESIDENTIAL CANDIDATES

- A. A Presidential candidate gains access to the Virginia presidential preference primary ballot by complying with the requirements set forth in Virginia Code § 24.2-545 (amended 2003), including by filing with the Virginia State Board of Elections a Declaration of Candidacy and petitions signed by at least 10,000 qualified voters, including at least 400 qualified voters from each congressional district in the Commonwealth, who attest that they intend to participate in the Democratic primary. Candidates should contact the Virginia State Board of Elections, Suite 101, 200 North 9th Street, Richmond, VA 23219-3485 (Telephone: 804-786-6551; Toll Free: 800-552-9745; Facsimile: 804-371-0194; E-Mail: info@sbe.state.va.us) to obtain detailed information on procedures adopted by the Board. There is no statutorily-required candidate filing fee. The candidate filing deadline is December 14, 2007 as determined by the State Board of Elections. “Uncommitted” will not appear on the ballot. Pursuant to Virginia Code § 24.2-644(c), voters may not write-in the names of candidates who are not listed on the ballot. (Rules 1.B., 14.A., 14.B., 14.D., 14.E., & 14.H.)
- B. Each presidential candidate shall certify in writing to the State Democratic Chair the name(s) of his or her authorized representative(s) by January 7, 2008. (Rule 12.D.(1))

- C. Each presidential candidate shall use his or her best efforts to ensure that his or her respective delegation within the state delegation achieves the affirmative action goals established by this Plan and is equally divided between men and women. (Rule 6.I.)

SECTION III

SELECTION OF DELEGATES AND ALTERNATES

A. STATE CONVENTION DELEGATE AND ALTERNATE SELECTION PROCESS

1. National Convention delegates and alternates shall be elected by delegates elected at county and city caucuses (or conventions) to district conventions and a State Convention.
2. A total of 2,000 State Convention delegates shall be apportioned among the counties and cities of Virginia. Each county and city shall be entitled to one-half as many alternates as there are delegates apportioned to such county or city. (*See Appendix A for delegate and alternate apportionment for each county and city within each congressional district.*) Apportionment of State Convention delegates and alternates shall be based upon a formula giving equal weight to the vote for the Democratic candidates in the 2004 presidential, the 2005 gubernatorial and the 2006 senatorial elections calculated pursuant to Method (c) of Section 15.1 of the Party Plan using the following formula:¹

Raw Number of Delegates =

$$\frac{1}{3} \frac{\text{Kerry votes for jurisdiction}}{\text{Total Statewide Kerry votes}} + \frac{\text{Kaine votes for jurisdiction}}{\text{Total Statewide Kaine votes}} + \frac{\text{Webb votes for jurisdiction}}{\text{Total Statewide Webb votes}}$$

See Rule 8.B.

3. Delegates and alternates to the congressional district and State conventions shall be elected at caucuses in each county and city. Caucuses shall be governed by Articles 14-19 of the Party Plan.
 - a. The county and city Democratic committees may hold caucuses in each precinct, magisterial district or ward to elect delegates and alternates to a county or city convention at which the congressional district and State Convention delegates and alternates will be elected. Alternatively, such caucuses, or a county or city-wide caucus, may elect the district and State Convention delegates directly.
 - b. Any county or city committee that chooses to elect delegates and alternates at a level lower than the county or city must apportion delegates and alternates among the electing units according to the formula set forth in Section III.A.2. above. Any county or city committee proposing to elect delegates and alternates by caucuses to a county or city convention may, at its option, apportion as county and city convention delegates any

¹ The raw number of delegates has been rounded up when the fraction is at or above 0.500 and rounded down when the fraction is below 0.500. In some cases, this round-off scheme resulted in one or two too many or too few delegates. When too many delegates resulted, the raw fraction(s) closest to 0.500 was (were) rounded down and not up so that the proper number of delegates could be allocated to each congressional district. When too few delegates resulted, the raw fraction(s) closest to 0.500 were rounded up and not down so that the proper number of delegates could be allocated to each congressional district. Fractional numbers of alternates are consistently rounded down.

whole multiple of the number of State Convention delegates to be chosen from that county or city.

- c. Caucuses within a county or city should be as uniformly scheduled as possible within a congressional district and shall be held on one of the following days and times:

Saturday, April 19, 2008 at 12:00 noon
or
Monday, April 21, 2008 at 7:30 p.m.
- d. Each county or city Democratic committee shall meet and determine the day, time and locations of such meetings, the method of selecting delegates and alternates, and the apportionment of delegates and alternates among the electing units, if applicable, and shall advise Democratic State Party Headquarters of such information by February 22, 2008. Such meetings shall be scheduled to ensure maximum attendance of Democratic voters in locations that are easily accessible to all participants, including persons with disabilities, and assistance shall be provided to those persons with disabilities who wish to participate. County and city caucuses shall be encouraged to make provisions for childcare.
- e. Any county or city committee holding an unassembled caucus on Saturday, April 19, or Monday, April 21, 2008, may provide an opportunity for voters to appear in person and cast an absentee ballot to be counted in the final totals for delegates and alternates in such caucuses. Such absentee voting may be scheduled for Thursday, April 17, 2008, beginning at 7:00 p.m. and ending at a reasonable time. The day, time for beginning and ending of such absentee voting and the location shall be publicized by the county or city committee. The chairs of committees exercising this option of absentee voting shall ensure that sites are fully staffed to serve the voters, properly supervised, informational materials and ballots are provided, declaration forms are available, and that voted ballots are secured and properly counted in the caucus voting totals.
- f. Any person attending a caucus, before participating in the caucus, shall sign a standardized declaration form approved by the State Democratic Party stating that he or she: is a Democrat; does not intend to support any candidate who is opposed to a Democratic nominee in the next ensuing election; is not a member of any other political party; has not participated and will not participate in the nominating process of any other Party for the 2008 Presidential election; and is a registered voter in the jurisdiction in which the caucus is held. Declaration forms shall also require the participant to identify his or her residence address, telephone number, electronic mail address (if applicable), and such person's presidential preference.
- g. County and city Democratic committees must prepare and forward a Call to Caucus to the State Party and congressional district committee chairs by March 19, 2008.
- h. Pursuant to Party Plan Section 14.6, caucuses in which alternates are selected as the "next-highest-vote-getters after the delegates" may be canceled provided the number of individuals filed by the deadline does not exceed the number of delegates to be elected. Caucuses in which delegates and alternates are to be elected on separate ballots may be canceled provided the number of individuals filed for delegate does not exceed the number of delegates to be elected and the number filed for alternate does not exceed the number of alternates to be elected.

- i. Secretaries of caucuses (and/or city or county conventions) shall be responsible for obtaining declaration forms from every person participating in meetings that are part of the delegate selection process, keeping minutes of such meetings, and forwarding the minutes and a listing of delegates and alternates elected to the county or city chair to be certified to State Party Headquarters.
4. Any county or city calling a convention to elect delegates and alternates to the congressional district and State Conventions shall hold the convention no later than April 26, 2008. County and city conventions shall be governed by Articles 14-18 of the Party Plan; the requirements of scheduling, notification to State Party Headquarters, and other procedures, shall apply as stated previously for caucuses. County and city Democratic committees that hold county and city conventions must have the Call to Convention prepared and forwarded to the State Party and congressional district chair by March 19, 2008.
5. The official results of the Virginia Presidential Preference Primary to be held on February 12, 2008 shall be used in the election of delegates and alternates to the district and state conventions and the National Convention. The State Party Chair shall obtain the official results of the primary from the State Board of Elections and shall ascertain the percentage of the vote received by each Presidential candidate in each county and city, each congressional district and statewide. The State Party Chair shall then transmit this information to each county and city Democratic committee chair and congressional district Democratic committee chair. The information shall also be provided to members of the Democratic Party Steering Committee.

At each county and city caucus, the district and State Convention delegates and alternates shall be allocated among the Presidential candidate caucuses according to the votes each candidate received in the Presidential preference primary. For example, if candidate A receives 50% in X county which elects 100 delegates to the district and State Conventions, candidate B receives 30%, and candidate C receives 20%, candidate A will be allocated 50 delegates, candidate B will be allocated 30 delegates, and candidate C will be allocated 20 delegates. The district and State Convention delegates will be the highest vote-getters within each Presidential candidate caucus.

All delegates shall in good conscience reflect the sentiments of the presidential candidate to whom they are pledged in that candidate's caucus on the first ballot at the district convention and again at the State Convention (and, where applicable, any county or city convention).

6. Prefiling of candidates for delegate and alternate to any county or city convention, and to the congressional district and State Conventions, is required. Each person filing must designate a candidate preference on the form. Prefiling forms shall be made available by the State Party to the county and city committees at cost. Alternatively, county and city committees may print their own prefiling form provided the State Party Headquarters approves the form in advance.

The prefiling deadline shall be 5:00 p.m., Monday, April 14, 2008, for caucuses held on Saturday, April 19, 2008, and 5:00 p.m., Wednesday, April 16, 2008, for caucuses held on Monday, April 21, 2008. The prefiling deadline for any county or city convention shall be specified in the call to that convention and shall be at least five (5) days, but no more than seven (7) days, before the convention. Delegate candidates for county or city convention shall prefile with their respective chairs or with designees for such chairs.

7. There will be a voluntary administrative fee of \$10.00 for each candidate for delegate and alternate who prefiles for election to the district or State Convention. A congressional district

committee may request an additional administrative fee of \$5.00. A county or city committee may request an additional fee of no more than \$10.00. The total maximum voluntary administrative fee is \$25.00. No person shall be denied the right to participate in the delegate selection process due to nonpayment of the voluntary administrative fee.

8. Alternate delegates (“alternates”) shall be elected by the county or city caucuses or conventions for the district and State Conventions. The committee calling the caucus or convention may determine whether alternates shall be elected separately from the election of delegates or whether the alternates shall be those persons with the next highest number of votes after the persons with the highest number of votes have been elected delegates. Alternates shall have the same qualifications as delegates and shall be allocated and elected under the same rules and procedures applicable to the allocation and election of delegates.
9. Within five (5) days after the county and city caucuses or conventions, each county and city chair shall certify to the State Party Chair and the appropriate congressional district chair, a list of the delegates and alternates elected to the district and State Conventions. This list shall be on a standard form provided by State Party Headquarters and shall include for each delegate and alternate: the candidate preference, a complete address, home and office phone number (if any), e-mail address (if any), and fax number (if any).

The county or city chair shall also be responsible for forwarding to the State Party with the list of participants who voluntarily contributed, the voluntary filing fee of \$10.00 for each individual who prefiled for the caucus or convention. Such voluntary fees shall be collected by each county and city chair and transmitted in one check payable to the Democratic Party of Virginia. Congressional district voluntary filing fees (if any) should be forwarded in one check payable to the appropriate congressional district committee.

Copies of all caucus declaration forms must also be forwarded to the State Party. Credentials for the State Convention will be issued when the delegate and alternate list, the filing fees, if any, have been paid, and the caucus declaration forms are received by the State Party.

10. A State Convention delegate who is to be absent, absents himself or herself during a meeting, or resigns may select an alternate of the same presidential preference to take his or her place. The alternate shall be, if possible, of the same sex and from among the alternates of his or her political subdivision. An alternate may be selected from another political subdivision within the applicable congressional district. If possible, the delegate making such selection shall submit the name of the alternate in writing to the delegation chair. At any time, a delegate may revoke such designation and resume the position of delegate.
11. If a delegate is unable to, or does not, select the alternate to take his or her place, that selection shall be made by the remaining delegates in a manner that assures an alternate of the same presidential preference is selected and, if possible, from the same political subdivision and of the same sex as the delegate replaced. Upon selection, the delegation chair shall execute a written statement designating the new delegate. At any time, a delegate may resume the position of delegate.
12. All caucuses and conventions are strongly encouraged to elect delegates and alternates to county, city, district and State Conventions that are equally divided between males and females.

B. DISTRICT-LEVEL DELEGATES AND ALTERNATES

1. Virginia is allocated 54 district-level delegates and 11 district-level alternates. (Rule 8.C., Call 1.B. & 1.I.)
 - a. District-level delegates and alternates shall be elected pursuant to a Presidential preference primary followed by post-primary district conventions. The process shall be as set forth below.
 - b. The Presidential preference primary will be held on February 12, 2008. The results of that primary shall be used to allocate delegates who will be elected to district conventions and a State Convention.
 - c. As set forth above, counties and cities shall hold caucuses on April 19 or April 21, 2008. These caucuses may be unassembled or assembled and shall follow the procedures set forth in the Party Plan. The caucuses shall be open to all Democrats. Caucuses generally shall elect delegates and alternates to the district and State Conventions. Cities or counties may also use caucuses to elect delegates to a city or county convention that will then elect delegates and alternates to the district and State Conventions. District and State Convention delegates and alternates elected by the county and city caucuses (or conventions) shall be elected in proportion to the percentage each candidate receives in the February 12, 2008 primary.
 - d. Each Congressional District Committee shall conduct a convention for the delegates from that district to the State Convention on May 10, 17 or 24, 2008, as determined by the Congressional District Committee. Congressional district conventions shall be held for the purpose of electing delegates and alternates to the Democratic National Convention, electing a Democratic Elector from each district, and accomplishing any other business required by the Call to the State Convention or set out in the Call to the District Convention. Each Congressional District Democratic Committee shall meet to determine the date and time of its convention and shall advise Democratic Party State Headquarters of such information by February 28, 2008. Each District Committee shall issue a Call to the District Convention by April 4, 2008.
 - e. The district conventions shall elect district level delegates (and alternates, if applicable) and conduct other appropriate business. At the district conventions, caucuses electing National Convention delegates and alternates shall be composed of those persons who have filed declaration forms designating that presidential preference or signed statements of support for the presidential preference for who they are voting.
 - f. Persons wishing to be elected as National Convention delegates or alternates must file a statement of candidacy by 5:00 p.m., 15 days prior to the district conventions, and presidential candidates shall provide lists of approved delegate (and alternate candidates) eight (8) days prior to the convention. Specifically, the filing deadlines shall be April 25, 2008 for May 10, 2008 conventions; May 2, 2008 for May 17, 2008 conventions; and May 9, 2008 for May 24, 2008 conventions. *See* Section III.B.3 below for filing requirements.
2. Apportionment of District-Level Delegates and Alternates
 - a. Virginia's district-level delegates and alternates are apportioned among the districts based on DNC formula (2) which gives: Equal weight to the vote for the Democratic candidates in the 2004 presidential and the most recent gubernatorial elections. (Rule 8.A.; Regs. 4.11., 4.12. & Appendix A)

- b. The state's total number of district-level delegates (54) and alternates (11) will be equally divided between men and women. (Rule 6.C.(1) & Reg. 4.8.)
- c. The district-level delegates and alternates are apportioned to districts as indicated in the following chart. (Gender was determined as set forth in Section III.B.6.b.)

District	Delegates			Alternates		
	Males	Females	Total	Males	Females	Total
#1	2	2	4	1	0	1
#2	2	2	4	1	0	1
#3	3	3	6	0	1	1

#9	2	2	4	1	0	1
#10	3	2	5	0	1	1
#11	3	3	6	0	1	1

3. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate and alternate candidate may run for election only within the district in which he or she is registered to vote. (Rule 12.H.)
- b. An individual can qualify as a candidate for district-level delegate or alternate to the 2008 Democratic National Convention by filing a statement of candidacy, designating his or her presidential preference and a signed pledge of support for the presidential candidate with the congressional district Democratic committee chair (with a copy to State Party Chair) by 5:00 p.m., 15 days prior to the district convention, at which the individual seeks election. (Specifically, the filing deadlines shall be April 25, 2008 for May 10, 2008 conventions; May 2, 2008 for May 17, 2008 conventions; and May 9, 2008 for May 24, 2008 conventions.) Persons need not be congressional district delegates to be eligible to run for National Convention delegate. (Rules 12.B. & 14.F.)
- c. All candidates considered for district-level alternate positions must meet the same requirements as candidates for district-level delegate positions, except that candidates who were not chosen at the delegate level may be considered at the alternate level. (Rule 12.C.)

4. Presidential Candidate Right of Review for District-Level Delegates and Alternates

- a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than 14 days prior to the district convention, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate. Specifically, the State Party Chair shall provide the lists by April 26, 2008 for May 10, 2008 conventions; May 3, 2008 for May 17, 2008 conventions; and May 10, 2008 for May 24, 2008 conventions. (Rules 12.D. & 12.F.)

- b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair by 5:00 p.m., eight (8) days prior to the district convention, a list of all such candidates he or she has approved, provided that approval be given to at least three (3) times the number of candidates for delegate men and three (3) times the number of candidates for delegate women, and three (3) times the number of candidates for alternate men and three (3) times the number of candidates for alternate women to be selected. Specifically, the candidates must provide the lists by May 2, 2008 for May 10, 2008 conventions; May 9, 2008 for May 17, 2008 conventions; and May 16, 2008 for May 24, 2008 conventions. (Rule 12.E.(1), Reg. 4.23.)
 - c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than eight (8) days prior to the district convention. Specifically, the candidates must so signify by May 2, 2008 for May 10, 2008 conventions; May 9, 2008 for May 17, 2008 conventions; and May 16, 2008 for May 24, 2008 conventions.
 - d. National convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate . (Rule 12.E. & Reg. 4.23.)
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC RBC whether each presidential candidate campaign has used its best efforts to ensure that its respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days after the presidential campaigns return the list of approved district-level delegate candidates and district-level alternate candidates for the final district convention as indicated in this Plan (i.e. no later than May 19, 2007).
5. Fair Reflection of Presidential Preference
- a. Presidential Primary – Proportional Representation Plan (Rules 13.A., 13.B. & 13.D.):

The Virginia presidential primary election is a “binding” primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.
 - b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the vote received in that district by the front-runner minus 10%. (Rule 13.F.)
 - c. At each district convention, the convention shall divide into caucuses based on presidential candidate preference. The delegates elected who are pledged to a candidate shall participate in that candidate's caucus. Delegates whose presidential candidates do not meet the 15% threshold may join a candidate caucus by signing a statement of support for that candidate. The candidate caucuses will then elect the proportionate

number of National Convention delegates and alternates. Each candidate caucus participant may cast the same number of votes as National Convention delegates to be elected. Each Call to the District Convention shall state whether National Convention delegates and alternates shall be elected at the same time and the caucus that has been awarded alternates shall elect the next highest vote-getters as alternates, or whether National Convention delegates and alternates shall be elected separately. (Rule 12.G.)

- d. District-level National Convention delegates and alternates shall be selected at district conventions to be held on May 10, May 17, or May 24, 2008, as determined by the Congressional District Committee. These conventions shall be governed by the Party Plan, including Sections 14, 15, 19 and 20. Congressional District conventions shall be held for the purpose of electing delegates and alternates to the Democratic National Convention, choosing a Democratic elector for each district, and accomplishing any other business required by the Call to the State Convention or the District Convention Calls. Each Democratic district committee shall determine the day, time and location of such convention, and shall advise Democratic State Party Headquarters of such information by February 28, 2008. District conventions shall be scheduled in locations that are easily accessible to all Democrats.
 - e. As set forth in the State Convention Call, delegates and alternates to the district conventions (and State Convention) may be elected at county and city caucuses held in each locality on April 19 or April 21, 2008. (Counties and cities also may elect delegates and alternates to county or city conventions which will then elect delegates and alternates to district and State Conventions.) Delegates and alternates elected to the district and State Conventions shall be allocated according to the Democratic Primary vote for presidential candidates in their jurisdiction.
6. Equal Division of District-Level Delegates and Alternates
- a. In order to ensure the district-level delegates are equally divided between men and women, delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of delegate positions, alternating by sex as mathematically practicable, will continue with the next highest vote-getting preferences in descending order until the gender of each position has been assigned. (Rule 6.C.(1) & Reg. 4.8.)
 - b. Provisions for achieving equal division of delegates at the district level shall be as follows:
 - (i) If a congressional district is allocated an even number of delegates, one half will go to the highest male vote-getters and one half to the highest female vote-getters. In this Plan, the First, Second, Third, Fifth, Sixth, Ninth and Eleventh Congressional Districts are covered by this rule.
 - (ii) If a congressional district is allocated an odd number of delegates, an equal number will be allocated to the highest male vote-getters and the highest female vote-getters. The gender of the odd delegates in the affected districts will be determined by a drawing of lots as set out below. In this Plan, the Fourth, Seventh, Eighth, and Tenth Congressional Districts are covered by this rule.

A drawing was scheduled and conducted by the Democratic Party of Virginia Secretary at the Democratic Party Steering Committee held on February 16, 2007. The results of the drawing have been incorporated into this plan.

The drawing was carried out as follows: The appropriate number of pieces of paper were prepared with an equal number marked "male" and "female." The pieces of paper were placed in a box, and each District Chair (or their designees) drew one piece of paper from the box, which determined gender of the odd delegate to be elected from each of their respective districts.

- c. Alternates apportioned to each district shall be elected using similar procedures to ensure an equally divided delegation:
 - (i) In congressional districts with an odd-numbered delegate, the gender of the alternate shall be opposite that of the odd delegate selected, notwithstanding that the selected alternate may not be the next highest vote-getter in the election process.
 - (ii) The gender of the alternate in congressional districts with an even number of delegates was determined by a drawing of lots using the same procedures used in selecting the gender of the odd-numbered delegates, as set out above.
7. Congressional district chairs must certify in writing to the State Party Chair the election of the district-level National Convention delegates and alternates within 24 hours of their election. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within three (3) days after their election. (Rule 8.C. & Call, IV.A.) (Regs. 5.3.B. & C.)

C. STATE CONVENTION

The State Convention shall be held on Saturday June 14, 2008, for the purpose of electing add-on unpledged delegates, pledged Party Leader and Elected Official delegates, at-large delegates and alternates, and Democratic Electors, as well as four members of the DNC, and for conducting any other business required by the Party Plan or the Call to the Convention.  - (ii) Any alternate permanently replacing a delegate shall be of the same presidential preference and sex of the delegate he/she replaces, and to the extent possible shall be from the same political subdivision within the state as the delegate.
 - (1) In the case where the presidential candidate has only one alternate, that alternate shall become the certified delegate.
 - (2) If a presidential candidate has only one alternate, and that alternate permanently replaces a delegate of the opposite sex, thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of Rule 6.C. In such a case, notwithstanding Rule 18.D.(2), the State Party Committee shall, at the time of a subsequent permanent replacement, replace a delegate with a person of the opposite sex in order to return the delegation to equal division of men and women. (Reg. 4.32.)
 - b. **Temporary Replacement of a Delegate** (Rule 18.D.(3))
 - (i) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the convention and an alternate temporarily acts in the delegate's place.
 - (ii) Any alternate who temporarily replaces a delegate must be of the same presidential preference as the delegate he/she replaces and, to the extent possible, shall be of the same sex and from the same political subdivision within the state as the delegate.
 - c. Permanent and temporary replacements of delegates shall be chosen from among the alternates by the delegate or the delegation. (Rule 18.D.(1))

 - (iv) In the case where a pledged delegate is permanently replaced after 48 hours before the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as specified above) to cast the delegate's vote. In such case, the Delegation Chair shall indicate the name of the alternate casting the respective delegate's vote on the delegation tally sheet. (Call, VIII.F.3.d., VIII.F.3.b. & Reg. 5.4.)
 - e. A vacant alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference, of the same sex and, to the extent possible, from the same political subdivision as the alternate being replaced. (Rule 18.F.)
2. Unpledged delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except under the following circumstances: (Rule 18.E. & Reg. 4.33.)

(Call, IV.C.2.a.)
 - b. Members of the Democratic National Committee and unpledged add-on delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except in the case of death of such delegates. In the case where the state's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2008 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of unpledged delegates. (Call, IV.C.2.b.)
 - c. Unpledged distinguished Party Leader delegates allocated to the state pursuant to Rule 8.A.(5), shall not be entitled to name a replacement, nor shall the state be entitled to name a replacement. (Call, IV.C.2.c.)
 - d. In no case may an alternate cast a vote for an unpledged delegate. (Call, VIII.F.3.d.)

SECTION IV

3. These members will be selected in accordance with the procedures indicated below. (Rule 1.G.)

B. TEMPORARY STANDING COMMITTEE MEMBERS

1. If informed by the DNC Rules and Bylaws Committee that any Standing Committees will meet prior to June 15, 2008, Virginia shall select temporary members for Convention Standing Committees, as set forth below. Such members shall serve only in the event that a standing committee meeting is called prior to the selection of the state's permanent standing committee members.
2. If necessary, temporary members for the Convention Standing Committees will be selected by the Steering Committee of the State Central Committee at a meeting to be held in February 2008. The meeting shall be open to the public and well publicized in accordance with the Affirmative Action program in this Plan. Members of the Steering Committee shall receive timely notice of the meeting, in accordance with State Party rules. (Call VII.G.(2) and Reg. 5.8.)
3. Any Democrat may apply for a position as a temporary member of the standing committees. Persons wishing to be considered must submit an application with their name, address, qualifications and name of the committee or committees for which they wish to be considered, no later than ten (10) days prior to the Steering Committee meeting.
4. A separate election shall be conducted for membership on each of the standing committees. The membership of the standing committees shall be as equally divided as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three (3) standing committees. (Call VII.E.(1))
5. Temporary members serve only in the event that the respective standing committee is called to meet prior to completion of the state's delegate selection process (and subsequent selection of permanent standing committee members), and no temporary member may continue to serve after the selection of the permanent standing committee members unless he or she is elected as a permanent member. (Call VII.G.(3))
6. The State Chair shall certify the temporary standing committee members in writing to the Secretary of the DNC within three (3) days after their election. Substitutions in a state's list of temporary members may only be made up to ten (10) days prior to the time the standing committee meets. Substitute temporary standing committee members will be selected at a meeting of the Steering Committee in accordance with the provisions outlined above. (Call VII.B.(3) and G.(3))

C. PERMANENT STANDING COMMITTEE MEMBERS

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of Virginia's National Convention delegates, at a meeting to be held on June 14, 2008. (Call, VII.B.1.)

- b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. (Call, VII.B.1.)
2. Allocation of Members
 - a. The members of the standing committees allocated to Virginia shall proportionately represent the presidential preference of all candidates receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 13.E. of the Delegate Selection Rules. (Call, VII.C.1. & Reg. 5.7.)
 - b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Virginia. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (Call, VII.C.2.)
 - c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (Call, VII.C.3.)
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (Call, VII.C.4.)
 3. Presidential Candidate Right of Review
 - a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. (Call, VII.D.1.)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by June 6, 2008 at 5:00 p.m., a minimum of one (1) name for each slot awarded to that candidate for members of each committee. The delegation shall select the standing committee members submitted by the presidential candidates. Presidential candidates shall not be required to submit the name of more than one person for each slot awarded to such candidate for members of standing committees. (Call, VII.D.2.)
 4. Selection Procedure to Achieve Equal Division
 - a. Presidential candidates shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Virginia's affirmative action goals and that their respective members are equally divided between men and women. (Rule 6.I. & Reg. 4.9.)

- b. Each position on each standing committee shall be assigned by gender. For example, the first position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for one gender, the second position for the opposite gender, and the remaining positions shall be designated in like fashion, alternating between males and females. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by sex, the designation shall continue with the Platform Committee, then the Rules Committee.
 - (i) A separate election shall be conducted for membership on each standing committee.
 - (ii) The membership of the standing committees shall be as equally divided as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three (3) standing committees. (Call, VII.E.1.)
 - (iii) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate sex.
5. Certification and Substitution
- a. The State Democratic Chair shall certify the standing committee members in writing to the Secretary of the DNC within three (3) days after their selection (by June 17, 2008). (Call, VII.B.3.)
 - b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. Substitutions must be made in accordance with the rules and the election procedures specified in this section, and must be certified in writing to the Secretary of the DNC within three (3) days after the substitute member is selected. (Call, VII.B.4.)

1. All public meetings at all levels of the Democratic Party in Virginia should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, economic status or disability (hereinafter collectively referred to as "status"). (Rule 4.B.(1))

SECTION VII

AFFIRMATIVE ACTION, OUTREACH AND INCLUSION PLAN

A. STATEMENT OF PURPOSE AND ORGANIZATION

1. Purpose and Objectives

- a. To ensure that the Democratic Party at all levels is an open Party that includes rather than excludes people from participation, Virginia hereby adopts a program of effective affirmative action. (Rule 5.A.)
- b. All public meetings at all levels of the Democratic Party in Virginia should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, economic status or physical disability (hereinafter collectively referred to as “status”). (Rule 4.B.(1))
- c. Discrimination on the basis of “status” in the conduct of Democratic Party affairs is prohibited. (Rule 5.B.)
- d. Consistent with the Democratic Party’s commitment to including groups who have been historically under-represented in the Democratic Party’s affairs, by virtue of race/ethnicity, age, sexual orientation, or disability, the Virginia Democratic Party has developed Party outreach programs. Such programs include recruitment, education, and training in order to achieve full participation by such groups and diversity in the delegate selection process and at all levels of Party affairs for 2008. (Rule 5.C & Reg. 4.7.) These programs are intended to reach out to Virginia’s various Democratic constituencies, including groups such as African-Americans, Hispanics, Native-Americans, Asian/Pacific-Americans, women, ethnics, youth, persons over 65 years of age, veterans, the lesbian, gay, bisexual, and transgender community (“LGBT”), workers, persons with a high school education or less, persons with disabilities, and persons of low and moderate income, to heighten the awareness of these groups and the Democratic Party’s desire to have them fully participate.
- e. To encourage full participation by all Democrats in the delegate selection process and in all Party affairs, the Virginia Democratic Party has adopted and will implement programs

with specific goals and timetables for African-Americans, Hispanics, Native-Americans, Asian/Pacific-Americans, and women. (Rule 6.A.)

- (i) The goal of the programs shall be to encourage participation in the delegate selection process and in Party organizations at all levels by the aforementioned groups as indicated by their presence in the Democratic electorate. (Rule 6.A.(1))
 - (ii) This goal shall not be accomplished either directly or indirectly by the Party's imposition of mandatory quotas at any level of the delegate selection process or in any other Party affairs. (Rule 6.A.(2))
- f. To achieve full participation of other groups that may be under-represented in Party affairs, including members of the LGBT community and people with disabilities, and youth, the Virginia Democratic Party has adopted and will implement Inclusion Programs. (Rule 7)
- g. The Virginia Democratic Committee shall use its outreach efforts to encourage all Virginia Democrats to vote in the Presidential Primary.

2. Organizational Structure

- a. An Affirmative Action Committee was appointed by the State Democratic Chair by March 1, 2007. (Rule 6.F.)
- b. The Committee shall consist of members from each Congressional district representing the Democratic constituency groups set forth in the Introduction to the Affirmative Action Plan. *See* Exhibit A (listing the members of the Affirmative Action Committee and identifying each member's relevant demographic ("status") information).
- c. The Affirmative Action Committee shall be responsible for:
 - (i) Reviewing the proposed Delegate Selection and Affirmative Action Plans and making recommendations to the State Democratic Chair and State Vice Chair for Outreach.
 - (ii) Reviewing the proposed Inclusion Programs and making recommendations to the State Democratic Chair.
 - (iii) Directing the implementation of all requirements of the Affirmative Action section of this Plan.
 - (iv) Implementing a financial assistance program for delegates and alternates. (Rule 6.G.)
 - (v) Ensuring, on behalf of the State Party Committee, that district lines used in the delegate selection process are not gerrymandered to discriminate against African-Americans, Hispanics, Native-Americans, Asian/Pacific-Americans, and women. (Rule 6.E.)
- d. Financial and staff support for the Affirmative Action Committee shall be provided by the State Party Committee to the greatest extent feasible, including, but not limited to, making available on a priority basis the State Party staff and volunteers and covering all reasonable costs incurred in carrying out this Plan.

3. Implementation of the Affirmative Action Plan shall begin not later than September 8, 2007, with the distribution of the press kits, and will continue through the end of the delegate selection process. (Rule 1.F.)

B. EFFORTS TO EDUCATE ON THE DELEGATE SELECTION PROCESS

1. Well-publicized educational workshops will be conducted in each of the delegate districts beginning on September 8, 2007. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate candidates of the availability of financial assistance. These workshops will be held in places that are easily accessible to persons with physical disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representative of the Democratic voting populace. (Rules 3.A. & 3.C.)
2. A speakers bureau of volunteers from the Affirmative Action Committee comprised of individuals who are fully familiar with the process will be organized to appear before groups as needed to provide information concerning the process.
3. The State Party's education efforts will include outreach to community leaders within the Democratic Party's constituencies and making sure that information about the delegate selection process is available to Democratic clubs and Party caucuses representing specific constituencies.
4. The State Party will publish and make available at no cost: a clear and concise explanation of how Democratic voters can participate in the delegate selection process; an explanation of how, where and when persons can register to vote; and delegate district maps. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action Plan, and relevant state statutes at no cost. Copies of documents related to the state's delegate selection process will be prepared and the Affirmative Action Committee will distribute them in the various delegate districts not later than September 8, 2007. (Rule 1.H.)
5. The State Party shall take all feasible steps to encourage persons to register and to vote as Democrats and will seek to ensure simple and easy registration procedures. (Rule 2.C.)

C. EFFORTS TO PUBLICIZE THE DELEGATE SELECTION PROCESS

1. Special attention shall be directed at publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process and where to get additional information. The foregoing information will also be published in the State Party newspaper. The Party organization, official, candidate, or member calling a meeting or scheduling an event shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. (Rules 3.C. and 3.D.)
2. Newspapers, radio and television will be utilized to inform the general public how, when and where to participate in the delegate selection process. Specifically, this information should provide details as to how to qualify to run as a delegate candidate. Special effort shall be directed to the major daily newspapers, radio and television stations by the State Democratic Chair, Affirmative Action Committee members and staff. Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should

complete timely coverage. *See* Exhibit B (listing of the media outlets to receive this information). (Rules 4.B.(3) & 6.D.)

3. A priority effort shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be provided to minority newspapers and radio stations, ethnic press, Native American, Asian/Pacific American, Spanish-speaking and other non-English press, radio stations and publications, and women's organizations, student newspapers, gay and lesbian press, disability press, and any other speciality media in the state that is likely to reach the Democratic constituency groups set forth in the Introduction of this Affirmative Action Plan.
 - b. The State Party shall be responsible for the implementation of this publicity effort. *See* Exhibit B, Part 3 ("Constituency and Speciality Media Outlets and Targeted Groups"). For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of the Presidential Primary and the city and county caucuses or conventions shall be effectively publicized, bilingually where necessary, to encourage the participation of minority groups. (Rule 6.D.)
4. Not later than September 8, 2007, a press kit shall be made and provided to each daily and weekly newspaper as well as to the electronic media. The press kit will include:
 - a. A summary of all pertinent rules related to the state's delegate selection process;
 - b. A map of delegate districts and how many delegates will be elected within each district;
 - c. A summary explaining the operation and importance of the 2008 Convention; and
 - d. Materials designed to encourage participation by prospective delegate candidates.

D. REPRESENTATION GOALS

1. The State Party has determined the demographic composition of African-Americans, Hispanics, Native-Americans, and Asian/Pacific-Americans in the state's Democratic electorate. These constituency percentages shall be established as goals for representation in the state's convention delegation. (Rule 6.A.) The method for conducting the study of the demographic composition of Virginia's Democratic electorate is detailed in Exhibit C-2 of the Plan.

	African-Americans	Hispanics	Native-Americans	Asian/Pacific-Americans
% in Democratic Electorate	18.22%	4.23%	0.03%	3.7%
Numeric Goals for Delegation	19	4	0	4

Although Native Americans do not have a numerical targeted goal, the Democratic Party is committed to full inclusion of Native Americans and will seek to elect at least one Native American delegate or alternate. The Party will also encourage the election of delegates and alternates belonging to the groups identified in Section VII.A.1.d.

2. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and unpledged) shall be compared with the State Party's goals to achieve an at-large selection process that helps to bring about a representative balance.
3. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the State Party to conduct outreach activities such as recruitment, education and training. (Rule 6.A.(3))

E. OBLIGATIONS OF PRESIDENTIAL CANDIDATES TO MAXIMIZE PARTICIPATION

1. Presidential candidates shall assist the Virginia Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan. (Rule 6.H.)
2. Each presidential candidate must submit a written statement to the State Democratic Chair by October 1, 2007 which indicates the specific steps he or she will take to encourage full participation in Virginia's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate. (Rule 6.H.(1))
3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. (Rule 6.H.(2))
4. Presidential candidates shall use their best effort to ensure that their respective delegations within the state's delegate, alternate and standing committee delegations shall achieve the affirmative action goals reflected in the Affirmative Action Plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate and alternate candidates who meet applicable equal division and affirmative action considerations in order to achieve the affirmative action goals and equal division for their respective delegations. (Rule 6.I. & Reg. 4.9.)

F. INCLUSION PROGRAMS

1. To achieve full participation of other groups that may be under-represented in Party affairs, including members of the LGBT community, people with disabilities, and youth, the Virginia Democratic Party has adopted and will implement Inclusion Programs.
2. The State Party has taken reasonable steps to determine the composition of members of the LGBT community, people with disabilities, and youth in the State's Democratic electorate. Such steps have included analysis of census and other demographic data and consultation with party groups that represent these constituencies. As reflected in Appendix C-2, the Party has concluded that youth (ages 18-35) comprise approximately 11.30% of Virginia's Democratic electorate (which would result in a goal of 12 delegates). Based on information submitted by LGBT groups (included in the public comments appendix to this plan), the LGBT community is estimated to comprise approximately 6-7% of Virginia's Democratic electorate (which would result in a goal of 6-7 delegates). Based on information provided to the State Party in 2002 (consistent with census data), persons with disabilities comprise approximately 15% of Virginia's electorate; after consultation with members of this community, it was determined to set a goal of 5% (which would result in a goal of 6 delegates). The numbers set forth in this section are to be considered representational goals for these groups.

3. In securing this level of full participation, the State Party will conduct the education and publicity outreach efforts outlined in Sections B and C of this Section, respectively. Specifically, the State Party will provide information and training to Democratic organizations such as the Virginia Young Democrats and the Virginia Partisans, and to youth, college, university, young labor and professional groups, LGBT advocacy groups, and groups that provide information and advocacy for people with disabilities.
4. The State Party will make accommodations to facilitate greater participation by people with disabilities. The Party is committed to conduct all its meetings and events at facilities that are accessible, provide all necessary supports for such events and activities, encourage campaigns to make sure that their offices and events are accessible and materials are available in all formats, and work to ensure that all voting places are accessible.

SECTION VIII

1. Challenges related to the delegate selection process are governed by the *Regulations of the DNC Rules and Bylaws Committee for the 2008 Democratic National Convention* (Regs., Sec. 3.), and the “Rules of Procedure of the Credentials Committee of the 2008 Democratic National Convention.” (Call, Appendix A.)
2. Under Rule 20.B. of the *2008 Delegate Selection Rules*, the DNC RBC has jurisdiction over challenges pertaining to the submission, non-implementation and violation of state Delegate Selection and Affirmative Action Plans. (Rule 20.B.)

B. CHALLENGES TO THE STATUS OF THE STATE PARTY AND CHALLENGES TO THE PLAN

1. A challenge to the status of the State Party Committee as the body entitled to sponsor a delegation from that state shall be filed with the RBC not later than thirty (30) calendar days prior to the initiation of the state's delegate selection process. (Rule 20.A. & Reg. 3.4.A.)

However, the RBC may provide advice, assistance or interpretations of the Delegate Selection Rules at any stage of the delegate selection process. (Reg. 3.1.C.)
2. An implementation challenge brought before the RBC is initiated by filing a written challenge with the State Party Committee and with the RBC not later than fifteen (15) calendar days after the alleged violation occurred. The State Party has twenty-one (21) days to render a decision. Within ten (10) calendar days of the decision, any party to the challenge may appeal it to the RBC. If, in fact, the State Party renders no decision, any party to the challenge may request the RBC to process it. The request must be made within ten (10) calendar days after expiration of the above twenty-one (21) calendar day period. (Regs. 3.4.C., E., & H.)
3. Performance under an approved Affirmative Action Plan and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If a State Party has adopted and implemented an approved affirmative action program, the State Party shall not be subject to challenge based solely on delegation composition or primary results. (Rule 6.B.) The procedures are the same for challenges alleging failure to properly implement the Affirmative Action section of a Plan, except that such challenges must be filed not later than thirty (30) days prior to the initiation of the state's delegate selection process. (Reg. 3.4.C.)
4. Depending on the appropriate jurisdiction (*see* Section VIII.A. above), implementation challenges must be brought in conformity with the Regulations of the RBC or the Rules of Procedure of the Credentials Committee, which should be consulted for a detailed explanation of challenge procedures.

C.1. Representation Goals

REPRESENTATION GOALS					
Target Group	Allocation Ratio	Statewide	Delegate	Statewide	Alternate
		Goals		Goals	
African Americans	0.182	(0.182)(103) = 19		(0.182)(14) = 3	
Hispanic Americans	0.0423	(.042)(103) = 4		(.0423)(14) = 1

Youth	.129	(.129)(103) = 12		(.129)(14) = 2	

*Native Americans make up only 0.3% of the population of Virginia; assuming the rate of registration is constant across targeted groups, Native Americans would be entitled to 0.3 delegate. Please refer to Section VII.D.1.

C.2. Demographic Study and Analysis

C.2.1. Methodology

The basis for calculating the percentages applied for the targeted ethnic minorities is the Registered Voter File maintained by the Democratic Party of Virginia. In addition, historical turnout has been gathered from various sources including precinct/census calculations provided by the National Committee for an Effective Congress (NCEC). Also used were two reports from Pew Hispanic Center on Latino Turnout in 2004 and 2006 and exit surveys from The Asian American Legal Defense and Education Fund from 2006.

As there is no requirement for Party registration or ethnic identification when registering to vote in Virginia, an analysis of the Registered Voter File (RVF) has been performed in order to determine the number of registered voters in the targeted ethnic minorities. Each voter in the RVF is assigned a geo-code based on the zip+4 code of their address. The geo-codes correspond to census block groups; each geo-code carries with it a description of the census block group in terms of various demographic factors including ethnicity. The parameters used for this analysis were: Voting Age population for African-Americans, Asian-Americans and Hispanic-Americans.

The following assumptions and rules were applied:

- It is assumed that these target groups register in the same proportions as the population as a whole.
- Where data was available on any group's voting and registration pattern in Virginia, it was used.
- Where there was no data that specifically dealt with Virginia on a group's registration or voting patterns, the statistics for that group's national patterns were ascribed to that group's members in Virginia.
- Where there was no data available on state or national voting and registration tendencies of a group, the voting and registration patterns of the Commonwealth of Virginia as a whole were ascribed to that group.
- In all cases, statistics came from the 2004 Presidential, 2005 Gubernatorial, and 2006 U.S. Senate races.
- Total numbers of registered voters for each group were based on the 2007 geo-code analysis and adjusted by the appropriate percentage for each election. The adjustment was based on the difference between current registration and registration reported on Election Day for each year.

C.2.2. Calculation of Total Number of Registered Voters for Each Target Group

The calculation of representative goals began with compiling the total number of voters for each geo-code in the voter file. This resulted in 4,495,482 voters with geo-codes assigned. There are actually 4,587,227 voters in Virginia, so roughly 2% of the voters have no geo-codes. These voters will be accounted for using a correction factor equal to the actual number of voters divided by the number of voters with geo-codes assigned, or 1.02.

The total number of voters for each targeted group was calculated by taking the number of voters for each geo-code, multiplying by the Voting age population fraction for the targeted group for each geo-code, and taking sum over the total number of unique geo-codes. The 1.02 correction factor was also applied. That is,

The number of voters in a Specific target group	= 1.02 x Σ # of unique geo-codes	{(The number of registered voters in a given geo-code) x (The fraction of voting age population for target group within the geo-code)}
---	--	--

The resulting total number of voters in each targeted group is as follows:

Targeted Group*	2004 Voters	2005 Voters	2006 Voters
Total Registered Voters	4,517,980	4,448,852	4,554,683
African-Americans	823,217	810,621	829,904
Hispanic-Americans	191,147	188,222	192,700
Asian-Americans	167,703	165,137	169,065

C.2.3. Calculation of Democratic Electorate

As Virginia has no Party registration, the Democratic electorate can only be determined using voting statistics. The Democratic Performance for each year is defined as the number of votes received by Democratic candidates in the 2000 Presidential, 2001 Gubernatorial, and 2000 U.S. Senate races. That is,

Race	Democratic Performance
2004 Presidential	1,454,742
2005 Gubernatorial	1,025,942
2006 U.S. Senate	1,175,606

C.2.4. Calculation of Group Democratic Vote

The Group Democratic Vote is defined to be the number of voters in each group multiplied by the group's turnout fraction by the group's Democratic performance. Explicitly, for each year,

Group Democratic Vote	=	Total voters in group X Group Turnout Fraction	X Group Democratic Performance
-----------------------	---	--	-----------------------------------

Using the Group Voter totals from Section C.2.3, the Group Turnout fraction and Democratic Performance for the years 2004, 2005, and 2006, the following Democratic Vote Totals were calculated for each group:

Target	Group Turnout Fraction	Group Democratic Performance	Group Democratic Vote
--------	------------------------	------------------------------	-----------------------

Group	2004	2005	2006	2004	2005	2006	2004	2005	2006
African-Americans	0.60	0.39	0.55	0.92	0.93	0.90	454415	294012	410802
Hispanic-Americans	0.47	0.35	0.45	0.58	0.64	0.69	52107	42162	59833
Asian-Americans	0.45	0.32	0.45	0.74	0.74	0.76	55845	39104	57820

C.2.5. Calculation of Youth Democratic Vote

Calculated using the Democratic Party Voter file and registered voters in VA 18-35 who have been identified as a Democrat through party identification efforts and/or Democratic Primary participation.

Youth (18-35) Total Registration - 1,194,609 (26.5%)

Voter Participation 2004, 2005 = 0.1687

Group VA Democratic Performance 67.44%

Voters	Grp Participation	Dem Performance	Allocation Ratio
.265	.1687	.674	0.113029
